2 June -	Monday	WA Day Public Holiday
4 June -	Wednesday	Room C7 Assembly
10 June -	Tuesday	School Board Meeting 6pm
4 July -	Friday	Last day of Term 2

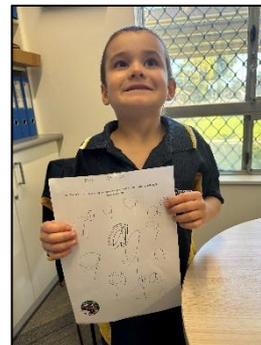

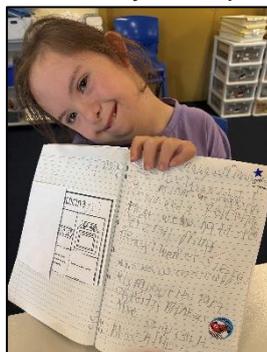

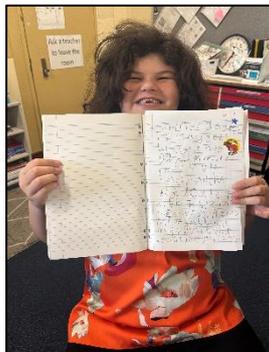

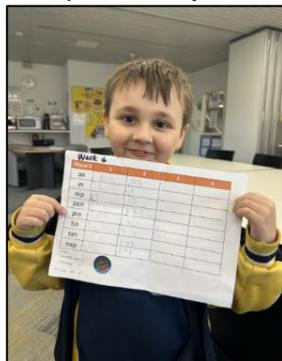

Principals Pen

We are almost halfway through term 2 already! We have certainly noticed changes in the weather over the last week with the mornings being a become cool and fresh again. With this in mind, the cold and flu season is well and truly upon us, we have already had a number of staff and students off with different bugs this term. Thank you to those parents who are being vigilant and keeping their children home when they are showing symptoms of illness. Due to some staff and students being immune compromised we do ask that you please keep your child home if they are showing signs of being unwell to keep everybody safe.

Storm Breen
Principal

Good Workers

Well done to our superstar good workers this fortnight. The smiles on their faces just give away how proud they are of themselves and the hard work they have put in.

Room C3's assembly

We have really enjoyed getting back into having class assemblies and C3 did a wonderful job sharing their Lego creations. Assemblies are a wonderful way to extend that learning beyond the classroom walls as all students learn how to transition to a new space and how to be in the hall with so many different people. They get to learn so much from the presentations the classes put on.

Well done to all of the students who received their merit awards and a very special congratulations to Loki who won the Aussie of the Month award.

C4 Class Excursion: A Golden Day Out!

On Monday, C4 students enjoyed an exciting excursion to the Perth Mint, followed by a relaxing lunch and play at Wellington Square Playground.

The visit to the Mint offered a fascinating and immersive glimpse into Western Australia's rich gold history. Students were captivated by the live gold pour and the chance to see the world's largest gold coin! We also stepped inside a vault to touch a real gold bar - a truly memorable experience for all. Before we ended the tour, we had an unforgettable opportunity to stamp our very own coin to take home as a souvenir!

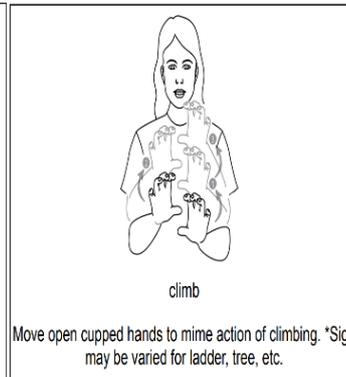

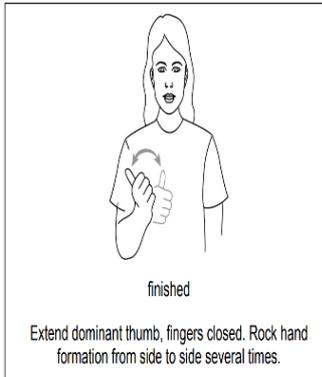

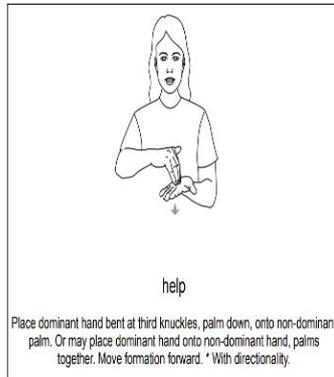

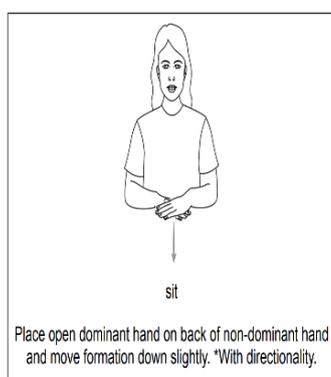

When the tour was finished, the class made their way to Wellington Square where they enjoyed lunch together and had fun exploring the playground. We are incredibly proud of how beautifully C4 students waited patiently and travelled on public transport, walking together as a group, showing respect and responsibility throughout the day. Their positive behaviour in public spaces reflected our school values and made the day even more enjoyable.

Well Done C4 , You truly shine like gold 😊

Key Word Signs

Our Key Word Signs for this fortnight are:

CANTEEN:

Opening days - **Monday, Thursday and Friday**

We are always looking for volunteers in the canteen. If anyone would like to volunteer on Mondays, Thursdays or Friday please contact us via email at pccreaney@gmail.com. All help is much appreciated and keeps the canteen running.

School Website Testimonials

We are in the process of building our new school website and are very excited to launch it. We would love to add some testimonials from our parents and school community. If you would like to contribute to this, please email through short testimonial to storm.breen@education.wa.edu.au

What a busy week it was last week during National Road Safety Week!

As a school community, we encouraged our students to walk to school on Friday, promoting healthy habits and safer streets.

A big shout-out to Matthew, who proudly showed his mum the correct way to cross the road—by stopping, looking both ways, and listening before stepping off the curb. Well done, Matthew!

We also want to thank Maddie, one of our senior mentors, who took time out of her busy schedule to show appreciation to Russell, our dedicated Traffic Crossing Warden. Russell plays a vital role in keeping us safe every day, and we are so grateful for his ongoing support.

Let's keep these safe habits going all year round!

Djeran

Djeran is the season from April to May. It is the autumn season, when the cooler weather begins. It is a time of red flowers. Banksias start to display their flowers, ensuring that there are nectar food sources for the many small mammals and birds that rely upon them. Hunting for fish continued. Bulbs and seeds were eaten for food as well as plant life and roots from certain plants. As the nights become colder and damper, traditional shelters are repaired in readiness for winter.
