4 July -	Friday	Last day of Term 2
21 July -	Monday	Staff development day – (No students)
22 July -	Tuesday	Students return – First Day Term 3

Good Workers

Well done to our superstar workers this fortnight. Look at those big smiles, it's easy to see how proud they are of their wonderful work.

NDIS school holiday programs - Access Adventure Club

Access Adventure Club, a provider of tailored programs designed specifically for children and young people with disabilities.

We are passionate about creating opportunities for youth with disabilities to engage in inclusive independence-building programs that enhance their personal development.

These programs run during the school holidays and may assist carers with a much needed break. Our programs are designed to be accessible experiences in nature, running across four days and packed full of outdoor activities. We have exclusive accommodation, which is dormitory style and allows social connection opportunities. These programs are delivered with a high staffing support ratio, so we can support a variety of disabilities. Our under 18s programs are from 8 years old to 17 years old and maximum group size of 14 participants.

Room 4 – Musical Incursion - Mrs Mettimano

Some of our Kindy students joined their Creaney PS Kindergarten peers for an interactive incursion in the school hall last Wednesday. Ms Rebecca, from Musical Experiences for Children, gave us a performance of the story 'Jack and the Beanstalk'. Ms Rebecca engaged the children in the story, through voice, drama and story props. Our students had wonderful fun joining in with the actions and using scarves as part of the dramatic experience.

School Dental Service Newsletter/Social Media Posts

Every Year Dental Health Services (DHS) offers parents and carers the chance to register their children for free dental care at the School Dental Service (SDS). The offer is open to every student from the year they turn 5 until their 17th birthday and includes check-ups, fillings, and simple extractions.

Children not previously enrolled will have will soon bring home an envelope enclosed with an enrolment form, frequently asked questions, and reply-paid envelope from DHS. Please fill in the enrolment form, pop it in the reply-paid envelope, and put it in your nearest post box.

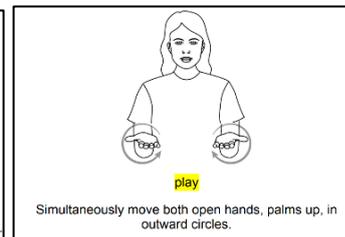

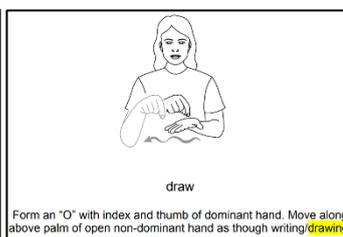

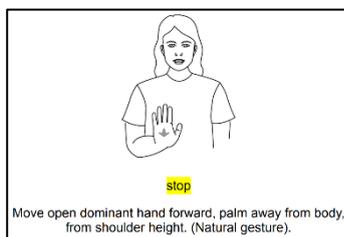

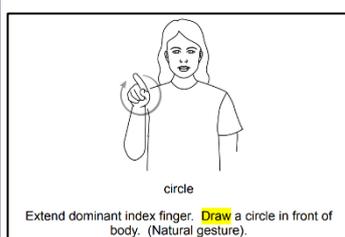

Once your form has been received at DHS our team will register your child and arrange for you to receive an appointment in the mail.

If you would like further information on DHS services and the SDS please visit our website: www.dental.wa.gov.au or scan QR code.

Key Word Signs

Our Key Word Signs for this fortnight are: Don't forget to practice with your child 😊

Exciting News: Enhancing Our Bike Riding Program with K-equip Ltd

We are thrilled to announce a new partnership with **K-equip Ltd**, a company that specialises in supplying and servicing modified tricycles and bicycles tailored to meet diverse needs. You can learn more about their fantastic work by visiting their website: www.k-equip.com.au.

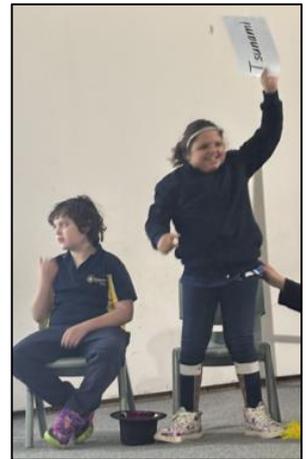

As part of this collaboration, we were fortunate to have **James from K-equip** visit our school. His expertise and dedication have made a significant impact—he not only repaired our existing bikes but also added thoughtful modifications to better suit our students. James also provided valuable recommendations for future purchases to ensure our fleet continues to grow and evolve.

Thanks to this support, we now have a **fully functional fleet of bicycles and tricycles** that cater to all our students, allowing everyone to participate in our bike riding program. This initiative promotes physical activity, independence, and joy, and we're excited to see our students thrive through this inclusive opportunity.

We extend our heartfelt thanks to James and the team at K-equip Ltd for their generosity and commitment to supporting our school community.

C1 Assembly

C1 presented their assembly this week showcasing their learning about 'Natural Disasters'. Each student shared 3 facts they had learned about the different disasters and then quizzed the audience to test their knowledge and see how well they had been listening. Congratulations to each of the merit award recipients and a special congratulations goes to Asher for winning the Aussie of the Month award.

Student Assistance Payment:

Just 3 weeks left to claim!

The **WA Student Assistance Payment** helps with school costs — don't miss out.

\$150 for each Kindergarten and primary student

\$250 for each secondary student

Claim now through the ServiceWA app, online or by post in a claim form.

Claims close Friday 4 July 2025.

Visit www.education.wa.edu.au/wasap for eligibility info and how to claim.

If you have not yet claimed your payment or need support in doing so, please contact the school front office at your earliest convenience so that we can support you with your claim.

Football Futures Foundation Registration membership program

please see the revo website homepage for more

information: <https://www.revolutionise.com.au/footballfutures>

CANTEEN:

Opening days - **Monday, Thursday and Friday**

We are always looking for volunteers in the canteen. If anyone would like to volunteer on Mondays, Thursdays or Friday please contact us via email at pccreaney@gmail.com. All help is much appreciated and keeps the canteen running.

Suspicious Activity

If you notice any suspicious activity on school grounds after school is closed, please contact Security on 9264 4771 or the Police on 131 444.

Winter Illness

Thank you again to those families who are keeping their child home when they are unwell. We understand that the winter season brings a lot of colds and sickness, but please do consider keeping your children home when they are displaying any of the symptoms in the chart below. We have a number of students who are immunocompromised. We also need to keep our staff as well as possible so that they can continue to provide the best care and support for all Creaney children. We truly do thank you for your support with this.

We recommend your child stays home when:						
They have a fever or headache.	They are vomiting.	They have diarrhoea.	They have a rash.	They have head lice.	They have an eye infection.	
						
Temperature of 38 degrees or more	Within the past 24 hours	Within the past 24 hours	Body rash, sores, or itching	Itchy head, active head lice	Redness, itching, dripping from the eye	Hospital stay or treated by medical professional
Your child is ready to return to school when:						
Free of fever	No more vomiting & I've had at least 2 meals without getting sick	No diarrhoea	No more itching & the pharmacy or doctor have cleared it as not being contagious	Treated & cleared with evidence	Treated & cleared by pharmacy or doctor with evidence	Treated & cleared by pharmacy or doctor with evidence
Contagious diseases spread through groups of people very fast. Thank you for supporting the school in being proactive and vigilant around infections. This is particularly important for our students with compromised immunity.
